

SMT1.0

The most friendly automatic B3 laminating machine

The main reasons for choosing a TAULER SMT 1.0

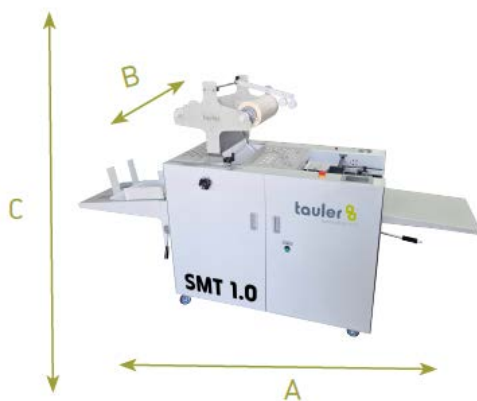

- Because it is ready to work in 5 minutes.
- Because it is easy to use.
- Because of its intuitive touch screen
- Because it incorporates a REVERSE MODE to correct possible errors.
- Because it has a TAULER_GO ON automatic start-up system.
- Because it only occupies 1.5m2.
- Because you can move it easily.

SMT1.0

The most friendly automatic B3 laminating machine
