

# Smart B3

The most user-friendly laminating machine

---

## Top reasons to choose a TAULER SmartB3:

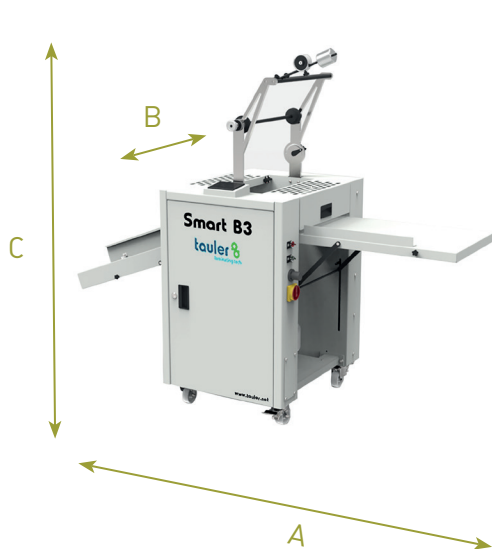

- Because it is the **MOST FRIENDLY** laminating machine manufactured in the EU.
- Because its automatic registration system facilitates the operator's task.
- Because it occupies only **2 m2 IN USE** and **1 m2 OUT OF USE**
- Because it incorporates a silent compressor
- Because it can stamp toner prints with its **TAULER\_FOIL** system
- Because of its intuitive touch screen
- Because it incorporates a **REVERSE MODE** to correct possible errors
- Because it incorporates non-stick rollers for ease of use
- Because it has an automatic start-up system **TAULER\_GO**

# Smart B3

## The most user-friendly laminating machine
